GLOBUS CELEBRATES 90 YEARS WITH 10 NEW NORTH AMERICA TOURS

LITTLETON, Colorado – October 18, 2017 – On the heels of one of the biggest years for North America travel, Globus is inviting travelers to discover even more North American wonders, from sea to shining sea, with 10 NEW touring vacations featuring picture-perfect destinations from Western to Eastern Canada, Nashville to Savannah and America’s National Parks.

“2018 marks a special year for the Globus family of brands,” said Scott Nisbet, president and chief operating officer of the Globus family of brands. “It was 90 years ago when our founder – Antonio Mantegazza – purchased a rowboat to transport visitors across Lake Lugano, Switzerland. Nine decades later, we’re still paddling, steering and cruising travelers through the wonders of six continents, including incredible opportunities to enjoy all of the beauty North America has to offer.”

Adding to an already robust portfolio of [Special Event](#) vacations, in 2018, Globus will give travelers the chance to enjoy **Quebec’s Winter Carnival** with a NEW 7-day vacation. And, for those interested in exploring the “Wild West” south of the Canadian border, Cosmos is introducing a NEW 9-day [Historic Train Journey](#) and 15-day [America’s National Parks](#) vacation featuring the Western United States.
